## IN THE MARGIN

### Steel Technology admission

NATIONAL INSTITUTE of Secondary Steel Technology has invited applications for admission in two technical courses in collaboration with Bengal Engineering and Science University. The students who have completed their class XII exams in science stream will be eligible for the course. Successful students will be eligible for employment as foreman, melter, charge-man, shift-in-charge, furnace operator, rolling and re-rolling mills and sponge iron units. For more information students can call up at 2668-5303.

### Freshers welcomed

EASTERN INSTITUTE of Integrated Learning in Management (EIILM) celebrated its fourteenth batch of PGP

freshers at Rangmanch, Swabhumi on July 20. The ceremony titled as 'Rejuvenation' was to welcome the fresh batch of PGP students and also to strengthen corporate relations and thereby give impetus to students. The chief guest at the programme was Vinay Rai, Chairman, Rai Foundation, Delhi. The lighting of ceremonial lamp by Swami Puranananda, Ramakrishna Math and Mission, Belur was followed by the welcome address of R. P. Banerjee, director, EIILM. There were also cultural events like violin recital, songs and a dance performance. The cultural fiesta ended with a DJ dhamaka.

### Online academy

ON JULY 7, the MBD Group, one of the largest publishing houses launched MBD Alchemie, a new interactive and affordable online academy. MBD Alchemie is a pioneer project on online education, which will pave the way for

mass education through standardised content developed by eminent faculty. Technologically, one of the best and simple education portal, this will be the only system which will teach and test at the same time. To introduce its unique concept MBD Alchemie will be providing a 15 days free demo on [www.mbdalchemie.com](http://www.mbdalchemie.com). With an initial investment of Rs 20 crore, this academy will provide education at an affordable price of Rs150 per month per subject. In the initial phase, it is introducing courses for students of Class X and XII of CBSE, AIEEE and AIPMT.

### Dance competition

NOPANY SCHOOL organised a dance competition on July 13. The participants from classes V-VII (picture right) danced along the beats of popular Hindi songs. There were also solo performances along with Ra-bindrasangeet. Prizes were given to the

best solo performer and best dance group of each class.

### Manila calling

KEEPING UP with global trends about the rising demands of medical professionals in India, US, and leading Asian countries, Healthcare Management International (HCMI) has launched the curriculum of major Philippines universities for MBBS degree on July 7.

HCMI, Singapore is global healthcare recruitment and educational network that functions in US, Canada, Singapore, Philippines and India. HCMI would be arranging for MBBS degrees to Indian students from various universities accredited under Commission of Higher Education Government of Philippines. The names of Philippines varsities included in the HCMI MBBS Programme are University of Northern Philippines, Davao Medical School Foundation, Cagayan State University, Our Lady of Fatima University, Emilio Aguinaldo College, University of the East Ramon Magsaysay, Tarlac State University. The course is categorised under three phases i.e. Pre clinical, Para clinical and Clinical Phase. To know more students can log on to [www.hcmieducation.com](http://www.hcmieducation.com).
